BIBLE STUDY QUESTIONS

1. Give an update of how the last few weeks have gone since we last met. How have you seen God at work in your life? What has He been teaching you?
2. This past weekend was Student Ministries Weekend. Think back to your time in high school. Who were the adults that encouraged you in your walk with Christ? Did you have a lot of adults cheering you on in your faith? Do you wish you had more?
3. Why do you think it's important to encourage the next generation in their faith? What role do you see yourself having in encouraging the next generation in their faith?
4. This weekend Pastor Jesse talked about moments in his life when it was difficult to trust God. Have you had any of these moments lately? What helped you to trust God?
5. How do you feel called to respond to this week's message? What step of obedience do you need to take? How can we help to keep you accountable to it?

REMINDERS:

Please do not bring food or drink into the Sanctuary. The Cafe is available for food and fellowship.

April 7 & 8, 2018

Last week was Easter. We celebrated the fact that Jesus came into this world (Immanuel) to deal with sin. Jesus, who is 100% GOD and 100% MAN, willingly sacrificed Himself so that you and I can have a relationship with God. It was a glorious day when we celebrated the freedom we now have in Jesus to come out of our graves and into a new life. However, for many of us, we still struggle with keeping one foot in our old life – just in case God doesn't show up the way we think He will or should.

1. God willingly gave Jesus up and Jesus took our sin to the cross
2. In Jesus we have a home and family
3. In a "Post Easter" life there is no condemnation for those found in Jesus
4. Our sin is etched into the flesh of Jesus on the cross
5. A lack of trust causes us to put one foot back into the grave
6. God is a promise keeping God, so get out of that grave
