September 28 & 29, 2019

At Willingdon we see community as a key part of the journey of following Jesus. The more we become like Jesus, the more Jesus wants us to experience real, authentic, Spirit-filled, Christ-centered community. At Willingdon we use the word Engage. We want this to be a place where everyone finds a home. Where everyone experiences (and engages in) Spirit-filled, Christ-centered community. Engaging in Spirit-filled community isn't simply something nice to have, but something we **NEED** to **THRIVE** in our faith. It is that important.

The main point: When we engage in Spirit-filled community it **changes us** and **impacts** others.

When we engage in a Spirit-filled community:

1. We expect **awe-inspiring** experiences
2. We **take care** of each other
3. We **choose** to **spend time** together - a **lot**
4. We believe God will **work through** us to **impact** others
