The Christian life is a life of grace. We have received grace from God and have been united with Jesus through the Holy Spirit. But what does it look like to live lives of grace toward one another within the family of God? How does grace change the way we engage with each other?

- When the family of God has been filled with grace through Jesus, we get to live lives of grace with one another.
  - Living in grace changes how we see others.
  - Living in grace changes how we treat others.
  - Living in grace reflects God Himself.

**Questions for Reflection:**

- Is there anyone you are not living in grace with today? How can you let the grace of God transform your heart and that relationship?
- What would help you remember the gospel every day, so that you continuing growing in grace?
