February 29 &amp; March 1, 2020

Revelation 11 is about code breaking. When we interpret this chapter, we need to walk with an extra measure of humility. Many consider it to be the most difficult text to interpret in all of Scripture. Even scholars working within particular school of interpretation come to different conclusions. If you like deciphering codes, you will enjoy this passage.

1. The **Identity** Code (v. 1-3)
  - a. **Belong** to God
  - b. Are **repentant** before God
  - c. Give **prophetic witness** to Jesus
2. The **Mission** Code (v. 4-10)
  - a. Witness in the **Spirit's power**
  - b. Witness by **signs**
  - c. Witness by **suffering**
3. The **Life** Code (v. 11-13)
  - a. The church is **resurrected** to **eternal life**
  - b. A multitude **repents** and is **redeemed**
