March 7 & 8, 2020

The Hallelujah Chorus, just sung by the choir, was composed by George Frideric Handel, in 1741. It is found in a much larger work entitled, The Messiah. The Messiah is one of the best-known and most frequently performed choral works in Western music. Why should we be singing the Hallelujah Chorus every day?

1. Bad News: This is the end! The Kingdom of God has come!
For those who want **nothing to do** with God.
2. Good News: This is the end! The Kingdom of God has come!
For those who want **everything to do** with God.
3. Bad News: Judgement Day has come!
For those who want **nothing to do** with God.
4. Good News: Judgement Day has come!
For those who want **everything to do** with God.
5. Good News: God keeps all His promises!
For those who want **everything to do** with God.
