**Series Title: No Matter What**

**Sermon Title: Kind of Servants**

Philippians 2:19-30 (Pew Bible Page: 981)

*Pastor Willy Reimer*

This series is titled, “No Matter What.” No matter what is going on around us as we know we can stand on the promises and truth of Christ. Today our title takes on a slightly different meaning. Today I am talking about what it means to be the kind of servant, the kind of follower of Jesus that serves Jesus and His people no matter what is going on around them, no matter what society says, no matter what society thinks.

No matter what kind of servants...

1. Go where God sends them
2. Serve others
3. Earn our trust
4. Inspire and encourage the Church by their service
5. Are worthy of Honour
