Sermon Title: Desperate

Philippians 3:1-11 (Pew Bible Page: 981)

Pastor Ray Harms-Wiebe

For over two months here in BC, we have been committed to social distancing. Are you desperate to spend time with people you love? To go to your favourite restaurant? Or to get a much needed haircut?

On a more serious note, are you desperately seeking something? Perhaps a degree, a healthier marriage, a close friend, a secure financial situation, a good retirement plan. What are you making sacrifices to acquire? A good way to determine what you are actually desperate for is to ask yourself what is generating fear and anxiety during this COVID-19 season.

In Philippians 3:1-11, what is Paul most desperate for?

No matter what...

1. Be desperate to root out any thinking that contradicts the message of Jesus
2. Be desperate to ground your identity solely in Jesus and nothing else
3. Be desperate to know Jesus personally and be transformed into His likeness
