Series Title: Open & Unashamed

Sermon Title: Can Anyone Help Me?

Psalm 121 (Pew Bible Page: 516)

Pastor Ray Harms-Wiebe

Everyone seems to need help these days. Maybe you are struggling because of an illness and your future is uncertain, or you are unemployed and the job market is unpredictable, or you're a student and you're wondering what your educational future will look like, or you are so tired of COVID-19 thing you can't even stand to hear another comment about it. Each of us asks, "Is there anyone who can help me?"

- My Helper has the whole universe in His hands
- My personal Helper never tires
- My Helper is with me at all times
- My Helper is with me in all places
