Sermon Title: How do we move forward now?

Psalm 127 (Pew Bible Page: 518)

Pastor Ray Harms-Wiebe

Our lives are more volatile, uncertain, complex, and ambiguous than they were six months ago. COVID-19 has affected almost every area of our lives in some way. We may be asking the question of how to move forward in relation to our education, our business, our professional career, our immigration process, our retirement plans, our wedding plans, our children's future, or the care of our aging parents. How do we move forward now?

- The LORD is the master builder
- The LORD protects day and night
- The LORD provides in all seasons
- The LORD is always the one who gives life
- The LORD cares for His children, from beginning to end
