Sermon Title: Living Like Jesus

Matthew 5:7-12 (Pew Bible Page: 809)

Pastor Jordan Chanin

Who is a person that you have dreamed of becoming like? It could be a family member or friend, or maybe a celebrity or public figure. We all have people whose ways of life captivate us, and inspire us to live better lives ourselves. It is a beautiful and honouring thing to learn from others, and allow their way of life to positively impact and shape our own. That being said, there is one man who has lived and shown us the most beautiful way. He is the one who teaches us what the best way to live is, and that person is Jesus. Today we will be looking at 4 key statements that Jesus made on how to live the most beautiful way of life, called the beatitudes, and unpack their significance for ourselves today.
