When it comes to God's law, there's often a lot of confusion. It doesn't always make sense to us. What relevance does God's law have on us today, especially as people redeemed by Jesus and living under grace? Paul ensures us of the goodness of God's law by showing us the true purpose of the law – not to save us, but to show us Someone who can.

The purpose of God's law is to...

- Prove sin.
- Provoke sin.
- Push sinners to the Savior.

Reflection:

- Which side do you fall more toward - trying to impress God by keeping His law, or ignoring Him and living life your own way?
- How is covetousness reflected in your own heart? Can you repent and receive the grace Jesus freely offers, and trust in God's provision?
- How can you know God better this week? How can you turn to Him to find what you need, instead of chasing some other source?
