Today's Big Idea is...

## God is Generous

Today we learned that God is generous to us because he loves and cares for us. He is also generous to us so we can be generous to others. One day, Jesus saw some rich people putting their gifts into the temple offering boxes. There was also a poor widow who put in two small coins. The rich people gave a lot more than the widow, but Jesus said her offering was more valuable to God. God cares about our heart, and the women had a generous heart when she gave the coins. She didn't own much, but she gave everything she had. God has blessed us with so much, but most importantly he has gifted us with Jesus who rescued us from sin. For those of us who follow Jesus, we are called to be generous and love others like God shows us.

## Operation Baby Bottle

From now until June 19, we are fundraising for the Crisis Pregnancy Centre to help support parents in need. If you'd like to donate, drop off your change in the baby bottle by the Clubhouse sign-in desk.

# How Can You Love Others?

---

Jesus tells us to love our neighbours. We can do this in many ways! The Bible talks a lot about serving others. What does this mean? It means to put others before ourselves. This can be difficult to do because often we must give something up in order to serve others. This could be our time, energy, material things, or money.

Ask God, "What needs to be done?" We must have an open heart in order to serve others. Here are some more ideas on ways we can love.

## Ways You Can Love...

### At School

- Can you invite a new friend to play with you?
- Bring an extra snack to school for a friend
- Throw out someone else's garbage

### At Home

- Offer to help your parents with a chore
- Make an extra effort to share (Maybe with a sibling)

### Anywhere!

- Open the door for someone
- Apologize for something you did wrong
- Encourage someone with your words (Eg. You're doing awesome! You're a great friend.)
