

WJH Summer Serve Application

Stillwood Camp Partnership August 13-18, 2023

This summer, students in grades 7 - 9 have an incredible opportunity to partner with Stillwood Camp in Cultus Lake, helping them to run a children's day camp!

Stillwood Camp has asked us to help them to run a week of local day camp experience for 6 to 10 year-olds. Their campers will experience five days filled to the brim with great activities and meaningful relationships that only summer camp can provide. Our role is to come alongside of the camp and bring support to the staff as camp leaders for those kids. You will be getting tons time with kids, teaching Bible lessons, helping your group with activities, and ultimately looking for ways to demonstrate the love of God to these campers.

As a team we will be staying onsite together at Stillwood. We will participate in some of the camp preparation as well as executing various parts of the camp, led by a Stillwood Camp Director. We will also have time as a team for some additional training as well as to enjoy some fun around camp. This is an amazing opportunity to reach into a local community and make a long-term impact in the lives of kids.
