Tom Brady, arguably the greatest American football quarterback of all time, has won seven Super Bowl rings. Many would say he has enjoyed the best life has to offer. After winning his third Super Bowl, in a TV interview for 60 Minutes, he said this:

Why do I have three Super Bowl rings and still think there's something greater out there for me? I mean, maybe a lot of people would say, 'Hey man, this is what it is.' I reached my goal, my dream, my life. Me, I think, 'It's got to be more than this.'

The interviewer, Steve Kroft, quickly asked, "What the answer?"

Tom responded, "I wish I knew. I wish I knew." Unsettling, isn't it?

There is always a longing for something more. Another peak to climb, something else to succeed at, something else to acquire, someone else to know – a nagging uneasiness that lingers. What gives life meaning?

- You can't give your life meaning!
- Life's Meaning Must Come from Life's Author
- Jesus Gives Us More Meaning than We Could Ever Dream Possible!
- Life is about Jesus and his glory!

Reflection Questions:

- How have you sought to give meaning to your life?
- Today, what is the Author of life saying to you about the meaning of our life?
- Reflect on the meaning of Philippians 1:21 For to me to live is Christ, and to die is gain.
