In a world getting used to – and rocked by – artificial intelligence and virtual reality, it can be hard to know what is real and what is imitation. The same can be said of our worship and the things we pursue for satisfaction. How do we know we're pursuing the real deal? What if the gods we worship aren't worth it? How does the One True God meet us and reveal Himself to us, and how should we respond to Him?

- 1. The powerfulness of God
- 2. The powerlessness of idols
- 3. The praise of humanity
