Place: Vilnius - Lithuania

Cost: Estimated \$2500 per person

Team Size: 6 – 8 people

Team Leader: TBA.

Willingdon has been financially supporting the small Lithuanian MB Conference.

A few Willingdon people have visited and started building relationships (June 2022). Lithuania has seen a massive influx of Ukrainian refugees. The churches are working hard to meet needs, care well, and plant seeds of the gospel for the refugees that God puts in their path. In Summer 2024 (like they will also did in Summer 2023), Lithuanian MB churches work together to host a week-long camp for teens. Willingdon has been able to provide some funding to help with the costs of the Summer 2023 camp. In Summer 2024, it would be a welcomed gift for us to send some people from Willingdon (particularly Russian/Ukrainian speakers) to serve at this camp.
