# BIBLE READING JOURNAL

2 Year Bible Reading Guide

Journaling is an excellent way to both record and process what God has spoken to us. It's also a useful tool to use at a later time to reflect on and review some of the "gems" that you have received. Without writing these down, you may forget those blessings and some very important lessons! While journaling is a very personal time with the Lord, you may want to share some of your daily devotions with your small group or mentors. Through discussion, you may be able to look deeper into what God is speaking to you, gain new insights, and even encourage others.

As you begin each day, pray that the Lord would bring home to your heart one text in particular that would be meaningful for you that day. Expecting God to speak to us each day through Scripture is key for spiritual growth.

This suggested Bible reading plan will take you through the Bible in two years. Try to set aside the same time of day to read, write, reflect, and pray about what God is teaching you through His word.

You can journal using the following simple and easily applied format (SOAP):

**Scripture** — take time to read and reflect on today's texts. As you read, highlight or underline the passages that the Spirit impresses on your heart and mind. When you have completed your reading, go back to the passages you highlighted and pick one to journal on.

**Observation** — what do you think God is trying to teach you through this reading? Ask the Holy Spirit to teach you and reveal Jesus to you. What can you learn from the context of the passage? What is God doing or saying to them, and what is He saying to you?

**Application** — personalize what you have read by asking yourself how it applies to your life right now. Reflect on the question, "How will I live differently because of what I just read?" Perhaps it is an instruction, encouragement, revelation of a new promise, or correction for a particular area of your life. Write how this Scripture can apply to you today.

**Pray** — pray for the Lord to bless your intention in applying what you've just learned. This can be as simple as asking God to help you use this Scripture, or it may be a greater insight on what He may be revealing to you. Remember, prayer is a two-way conversation, so be sure to listen to what God has to say! Now, write it out.

This journal has a sample of table of contents. You can put a descriptive title on each day's journal entry, put it in the table of contents, then go back to that lesson to review it or share it with someone else as the Spirit leads.

Overall, we are much more likely to share about our Bible study and what the Holy Spirit is doing in our lives if we are crafting these lessons into articulate entries daily. Also, we are more likely to be transforming our hearts and minds into those of Christ's!

As we read God's words, we begin to see how God responds to things. Doing daily devotions re-patterns the way we think and transforms the spirit of the mind. Then, when we face similar situations as Jesus did, we begin to respond in the same way.
