Jesus Warned Us About Not Loving

Matthew 23:1-6

## THE THREE T's

### Today We Learned:

Why was Jesus not happy with the religious leaders? They were not obeying God's law. They were supposed to be teaching God's people, but they were actually leading people away from God. The religious leaders in our Bible story talked about how great they were when they should have been talking about how great God is. It is sad that the religious leaders did not love God or love people like Jesus taught. We should not be like those religious leaders. We should trust and follow Jesus!

He forgives our sins and changes us to be more like Him.  
Then we will love and obey Him.
