**Reflection Questions:**

1. In what ways am I offering myself fully to God as a living sacrifice? Are there areas of my life that I'm holding back from Him?
2. How am I being influenced by the values and trends of the world? What steps can I take to resist conformity and be more intentional about aligning my life with God's Word?
3. What practices can I incorporate into my life to renew my mind and deepen my understanding of God's will? How can I prioritize spiritual disciplines like prayer, Bible memorization, and fellowship with other brothers and sisters?
