FRANCE MISSION July 28-August 11 2024

Info about France and Youth With a Mission:

France is a nation of 63 million people. Since the 18th Century, there has been an accelerating decline of religious faith in France. Atheism has grown and there is hostility toward organized religion. Operation World reports, "that most French have a profound ignorance of, or indifference to, the gospel, many having never meaningfully encountered it. Yet, the relativism of postmodernity has generated acute emptiness and existential angst; as many have noted, this in turn has created a spiritual hunger that has grown rapidly in recent years". Youth With A Mission is a global movement of Christians from many cultures, age groups, and Christian traditions, dedicated to serving Jesus throughout the world. Also known as YWAM (pronounced "WHY-wham"), they unite in a common purpose to know God and to make Him known. One of the joys of participating in YWAM is to work with people from many nations. YWAM's staff (known as "YWAMers") come from over 130 countries, including places like Indonesia, Nepal, Mozambique, and Colombia.
