Jesus commissions His followers to live on mission – everyone, every day, everywhere. Although the Great Commission never changes, the means and methods of our personal missions can change over time. How do we respond when we feel God calling us into new territory? What role do we play in supporting others on the mission they have received?

We are all on mission together, sharing the blessings we've received and encouraging one another to advance the kingdom – and the mission is not over yet.

- 1. We're all on mission together.**
- 2. We share the blessing we've received.**
- 3. We encourage one another to advance the kingdom.**

Reflection Questions:

1. How can you be a missionary in your everyday situations? Who can partner with you?
2. What needs – spiritual, substantial – do you see that you could start to meet?
3. How can you share the blessing you've received and advance the kingdom of God this week?
