Brackwede MB Church in Bielefeld Germany has requested a short-term team to come and assist with an outreach ministry camp called “McDU”. The “McDU” camp is a Children’s Summer Camp targeting neighborhood children from immigrant families who have settled near the church. The camp is free for the children and runs daily from noon until late evening. The camp will involve fun activities, teaching, drama and gospel presentations.

The team will be involved in creating and leading workshops for the camp. Team members will have an opportunity to share their testimonies and build relationship with local children. The team has been asked to lead the devotional times for the volunteers at the camp as well as plan the evening activities for older youth in the camp.

This will be the fifth year that a team from Willingdon will assist with the camp. Relationships are being built with both the church and the community. The team will be staying with host families for the church.
