**COME. SERVE. TOGETHER IN MISSIONS
WE NEED YOU! THE WORLD NEEDS YOU!**

Question: Do you know that a Partner Visit to Logos Hope is one of the cheapest visions trips you can participate in?

Answer: YES, for about C\$55/day, your cabin and 3 pretty good meals/day are covered. The main cost is flight to the port where Logos Hope is berthed. And on March 15-22, 2025, when we lead a Partner Visit team to Logos Hope, it will be berthed in Kingstown, St Vincent & the Grenadines. Flight cost is not too expensive since Caribbean is just a little away from North America.

Also, you get to:

- Serve in several departments of Logos Hope, so you know the ship ministry, including working with onshore ministries and churches
- Meet, work and make friends with the 300+ crew which comes from 50+ nationalities
- Work and make friends with the locals who visit and serve on Logos Hope, and may more.
