Aomori Christian Center (ACC)

## **About ACC:**

Aomori Christian Center (ACC) is a Christian camp and retreat center in northern Japan dedicated to strengthening the churches of Aomori Prefecture (population 1.2 million) through evangelism, Bible teaching, and Christian fellowship. ACC hosts a variety of camps, retreats, and ministry programs to support this mission

Luke and Yuko Elliot had the joy of serving alongside James and Maki Buss at ACC for nearly a year. During their time in Japan, James and Maki were also actively involved in a local church, contributing to both the center and the surrounding Christian community. James and Maki are eager to lead this team

## **Skills and Gifting Required:**

We are invited to assemble a short-term mission team of **4–6 people**, including team leaders, to assist ACC staff during their summer ministry. The team will support locally recruited staff, helping with various camp activities and logistics. It would be especially helpful if some team members speak Japanese and have either a Japanese driver's license or an international driver's license.
