

LITHUANIA 2025

Dates: August 2025

Place: Vilnius - Lithuania

Cost: Estimated \$4000 per person

Team Size: 4 -5 people

Team Leader: TBA.

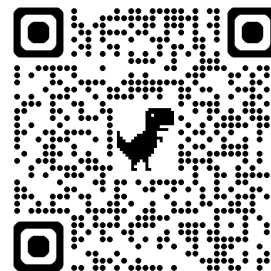

Willingdon has been financially supporting the small Lithuanian MB Conference. A few Willingdon people have visited and started building relationships (June 2022). In Summer 2024 (like they will also did in Summer 2023), Lithuanian MB churches work together to host a week-long camp for kids and teens. Willingdon has been able to provide some funding to help with the costs of the Summer 2023 camp. In Summer 2025, it would be a welcomed gift for us to send some people from Willingdon to serve at this camp.

Application Process

- Completion of an Application Form
- Completion of require training for the trip.
- Medical Clearance from Medical Health Professional.
- Vaccinations and Visa (personal expense)
