There is great freedom in Jesus, but if we aren't careful, we run the risk of falling into dangerous sin. When we do, we need serious intervention to bring us back to the truth of the gospel. Thankfully, God is for us and has made it possible to find hope, healing, and holiness through the life of Jesus and the support of the church. Even when it hurts, repentance and forgiveness brings restoration.

We must deal with sin to:

- 1. Save the individual
- 2. Save the church
- 3. Save the world
