Two Sundays ago, Pastor Ray preached from the second half of 1 Corinthians 6 and reminded us through God's Word that we should not separate the body from the soul. Both are gifts from God, and both belong to God. With that in mind, we glorify God with all that we are.

As we continue into Chapter 7, we will see that Paul may as well have written to us. As we've said all series, we share culture with the Corinthians, and the remedy remains the gospel.
