

## **Adopt a shut-in person in need**

### **How ?**

Serve one of our members who are shut-in, because of their health. There are a lot of people that rarely get out of their house. They would be so encouraged by your attention !

You can invite the person for a celebration or just a bible study evening. You can decide to bring your bible study evening to him/her.

Pray weekly, send cards with special occasions, call daily or weekly to check up on him/her and share a bible-verse. Visit him/her frequently
