

## **Serve an Imagine Family by offering childcare**

Families of children and individuals with special needs are often fully occupied caring for their loved ones and ensuring that needs are met regularly. Life becomes so hectic and demanding that managing other priorities may be a struggle.

### **Specific family need:**

The parents of a Imagine special needs child would love to meet for a monthly small group. This would be possible if your small group could commit to care for their child (and siblings) every first Sunday of the month, beginning on March 2nd.

This opportunity would take place from 1.30pm till 3.30pm
