

NIGHT OF PASSION PERMISSION FORM

THURSDAY, APRIL 18 6:30-10PM | \$2 (INCLUDES POPCORN AND POP)

We will be holding a screening of the film "The Passion of the Christ" for students in grades 8-10. Students need to bring this release form with them to be able to attend the event as the film is rated "R" due to the violence surrounding the death of Christ. This movie is a great tool, depicting fairly accurately the last hours, death, and resurrection of Christ.

The purpose of the event is to give our youth an opportunity to watch the film in an environment where they can ask questions and process what they are watching. There are so many confusing messages surrounding Jesus out there in our world and I believe that this is one way we can help students to understand the real, historical Jesus.
