January 18 &amp; 19, 2020

Perhaps you remember being on the school playground. Someone whispered in your ear and, suddenly, everyone wanted to know what was whispered. A secret is something not known or seen by the overwhelming majority. Our culture searches for the secret to longer life, the secret to financial stability, the secret to discerning real estate market trends, the secret to healthy relationships, the secret to winning the game of life.

What if someone offered to unveil to you the secret of the whole human history?

1. The Great Trauma: The unfolding of history is concealed
2. The Great Relief: The Lion can open the book of history (God's story)
3. The Great Shock: The little Lamb stands in the very center of the throne
4. The Great Secret: The powerful Lion is enthroned by being the sacrificial Lamb
5. Such a Great Salvation: Forgiveness, healing, and life is offered to all peoples
6. The Great Calling: Deny ourselves and follow the Lamb where He goes
7. The Great Purpose: Followers of Jesus rule with Him and impart God's blessing
8. The Great Joy: Join the throng before the throne and worship!
