## REMINDERS

- Please do not bring food or drink into the Sanctuary. The Cafe is available for food and fellowship.

February 18 &amp; 19, 2017

Do you enjoy a cluster of grapes or a nice wine? Viticulture is the cultivation of grapevines. Grapevines grow best in specific geographical locations blessed with a particular climate. They require ongoing care to produce good fruit. Jesus uses “the vine and its branches” metaphor to describe His relationship with His disciples. How does He present Himself? What does it mean His disciples?

If you are a true disciple of Jesus,

1. **Pruning** should be expected
2. **Positioning** is crucial
3. **Production** for God’s glory will be **inevitable**

### **Willingdon Church Elders**

The elders are Phil Balzer, Ray Harms-Wiebe, Paul Lee, Ron Leonard, Mark Loewen, Ken Redekopp, Mark Reimer, Vince Reimer, Ed Thiessen, Wayne Wiebe.  
Please continue to pray for the elders.

If you wish to contact an elder please email [elders@willingdon.org](mailto:elders@willingdon.org)
