March 11 & 12, 2017

Everybody has a worldview. A worldview is a lens through which you view the world. You may not often think about your worldview, but it has a major impact on the way in which you live your life. As we look at Psalm 8, King David offers a biblical picture of how God has created the world to function. He gives us a clear picture of who God is and who we are in light of that. If you are interested in knowing your role and purpose in life you would do well to pay attention to the worldview expressed by David in this Psalm.

David declares...

- The **glory** of **God**
- The **insignificance** of **humanity**
- The **derived significance** of **humanity**

And our response to these declarations should be...

- **Faithful stewardship**
- **Eager expectation** and **prayer**
