July 1 & 2, 2017

Mighty to Save! Those are words that describe our God. He has demonstrated this most fully through His son Jesus Christ, but He also demonstrated it in the incredible events of the Exodus. Today as we study the first chapter of the book of Exodus we'll see the incredible ways God is at work in the lives of His people. Come join us as we begin to explore this foundational story of the Old Testament.

The Old Testament is **one big story** about **our God**.

This part of the story reminds us that...

Although God allows **evil** and **pain** in His people's lives, nothing will stop Him from **keeping** His **promises**.

This part of the story challenges us...

To **celebrate each** and **every way** we see God **at work** in our lives
