Sunday Café Coordinator (part-time)

August 3 & 4, 2019

As Christians, we would believe that God made the world and everything in it. He is our Creator and our Designer. As our Designer, He gives us the way we were designed to live through His commands in the Bible. That is why it is vital to know God's Law, to understand its importance, and know how it relates to our lives. We are in the midst of a series in Exodus that is clarifying all of this for us, and we will explore the command "Do Not Steal" this weekend and what it means for us today.

1. When it comes to stealing, we want to examine our hearts first and confess our internal sinful desires to Jesus
2. When stealing is present, it hurts society, relationships, and us
3. When you see sin in your life, run to Jesus instantly and share it with a friend for accountability and prayer
